

Certificate of Analysis

Weight Solids

Product Name	Streetbond SP-150
Batch Number	#93937
Manufacture Date	2/7/02
Sample Prep Date	2/22/02
Test Method	ASTM D-2369 Standard test method for Volatile Content of Coatings
Test Conditions	As per ASTM standard. Any deviation reported at end of certificate.

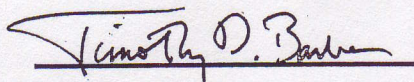

This certificate confirms that the above product was tested as per stated standard specification using calibrated equipment and qualified staff. The following test results were obtained.

Test Results

Reportable Parameter		result
Percent Solids		68.9%

Test conditions (if different from standard test conditions) and/or notes.
Results are average of two samples
Mixed ready for use.
